

# Oral presentation on hairdressing

## Competence Aims:

- fordype seg i et faglig emne innenfor eget utdanningsprogram og presentere dette
- innlede, holde i gang og avslutte samtaler og diskusjoner om faglige emner knyttet til eget utdanningsprogram
- uttrykke seg på en nyansert og presis måte med god flyt og sammenheng, tilpasset formål og situasjon
- bruke mønstre for uttale, intonasjon, ordbøying og varierte setningstyper i kommunikasjon

Prepare a presentation based on the following instructions:

- **Give a brief presentation and description of the occupation hairdressing. What tools and equipment are needed when working as a hairdresser and what does one need them for?**
  - **Explain what is meant by the term “work ethics”. What personal qualities or values are important when working as a hairdresser and why?**
  - **Lastly, discuss what safety measures are important at a hair salon and why.**
- Your presentation should be at least **five minutes long**. Note that there might be follow-up questions.
- You should not use PowerPoint. You may, and should, bring a list of keywords, but no manuscript.

Your presentation will be evaluated based on the following criteria:

- You have relevant content and include all the points asked in your presentation
- Your presentation is interesting to listen to
- You speak with a loud and clear voice
- You are easy to understand and have good pronunciation
- Your language is grammatically correct and you have varied vocabulary
- You have no manuscript and make eye contact with your audience

Good luck!
